Open Vision of God Almighty on His Throne

I was riding my bike on the bike trail when all of a sudden a vision opened up in front of me. I saw God Almighty sitting on His throne. I was so dumbfounded and stupefied I stopped my bike to sit down and just stared at the unbelievable sight before me. His hair was unbelievably pure white and wooly and was long and went down His back. He was wearing a Kings robe that was a radiant royal purplish blue and red. God was surrounded by what I can only describe as Holy smoke.

When the vision ended I was very shaken up. I felt like I am such an unrighteous sinner that I don't deserve to be the recipient of such an honor.

I knew that this vision was very significant in its meaning. The fullness of the meaning was revealed a little later when God made it know to me that He has come to sit in judgment and that the judgment proceedings have begun for the nations. (IPsalm 110)

The Judgment Has Begun

This is the word of the Lord that came to me this day on the boardwalk in Virginia Beach.

This is the word of the Lord to the Christian Church and the Jews of America. The forty days of reprieve is now ending. (June 19th - July 28th) The Great I AM will no longer delay the judgment that is going to strike America. As of this day July 28, 2:30 pm eastern standard time it has been ordered by the Great Man of Renown; the Ancient Man of Old; the Great I AM will now start judgment proceedings. Warning judgments have already begun. Starting from the West coast to the East coast and back to the West coast. The Angel of judgment will be thorough in what he is about to do. Woe to you who wants the early return of the Lord for it will be a great day of darkness and gloom. (Amos 5:18) You did not heed the weather patterns of the 80's, 90's and 2000's. So now I will begin to judge whole states. Maybe then you might begin to understand, but for many it is too late.

And for the carnally minded Christians who bought the insurance policy but did not pay the premiums, this is the word of the Lord to you. If you try to escape and go to another country I will send hunters after you and kill you. (Jer 16:16-18, Amos 9:2-4) For you loved this life of ungodliness and you did not live a holy life and you loved the things of the world more than you love me. Because you did not serve me with your whole heart but tried to save your own life here on earth you will lose it. For it is written he who loves his life will lose it and he who hates his life in the world will keep it for eternity!

For the past forty years I have asked many people to pray and fast. But they had other things to do. I have asked them to take their talent and invest it wisely and they did not listen to my word. They have rebelled against me says the Lord! For most have said in their heart I will never see God's judgment in this nation or the churches. God would never do something like that to America!

Well you are wrong because it has started. For many of you that are reading this word it is too late. Many of you have pushed the envelope too far and now the time is up! You are going to be cut off without remedy. You will not have any one to blame except yourself! So when it starts go back and look at the life you have been living to see if it lines up with my Word!

Can an Ethiopian change the color of his skin? Can a leopard change his spots? Can America who is accustomed to doing evil do any good?

The Closing and Opening of Doors

This is the word that came to me on July 14, 2009.

My friend Sara and I were in deep prayer when I found myself in a very large old southern style mansion. It was like the kind found in the deep south of the US. It had hundreds of doors that were pure white with lead crystal door knobs. I then saw the son of God opening and closing doors. Some doors He opened very fast and closed very fast. And some doors He slammed very hard. He said "Tell my people that I am closing doors in their life and opening new doors for them to go through. Do not be afraid as I am closing doors in their lives and I will open new doors for them to go through."

The Lord also said to me these words; "Time is up, but there is still time, but there is no time."

I do not know what the meaning of this is.

April 28 2009

This is a very important message

To the Christians of the United States of America and the world on the 14th day of April at 2:30 PM God spoke to me very clearly about what is getting ready to happen to America and the world. The 5th seal of Revelation chapter six has been broken over the world. (Revelation 6:9)

I came under attack by three very powerful demon spirits on April 11th. Soon after this attack God showed me that the fifth seal has been broken. The fifth seal represents great

persecution and suffering of Gods people which is coming against the remnant body of Christ.

What I find amazing is that five days after He said this to me on April 19th during the Miss USA Pageant Miss California was asked the question as to what she thought the definition of marriage is. Her answer was the Biblical definition "between a man and a woman". She was the front runner and because of her answer (belief) she lost the pageant and has since come under vicious attack for her beliefs.

At about the same time frame in April the so called "swine flu" broke out and California was the first to report a case of this flu in the US on April 21st.

To the people of the United States of America and to all Christians world wide, you must call a Solemn Assembly of all men, women and children of your house and church to fast and pray for what is about to happen to the United States and the world.

God has warned and warned of this day that is now upon the world and 90% of you are not ready for that which is about to come upon the entire globe.

Satan is about to make a stand against the Body of Christ and the world for their rebellion against God Almighty and for the rejection of His Son Christ Jesus. Satan stands before God as the "accuser of the brethren" and demands justice since God's creation refuses to serve and to worship God and His son Jesus. (Revelation 12:10)

I, John W. Johnston warn you to fast and pray like never before. Time is almost completely up.

The killing field in the United States of America is going to be the worst thing that has ever happened in this country. The people of the world will faint because of the destruction that is coming to this nation and its people.

I encourage you to go to your friends and family and resolve your irreconcilable differences and to forgive one another. You must go to the people who you have hurt and ask for their forgiveness. (Matthew 6:15)

For it is written, "For if you forgive men their trespasses, your heavenly Father will also forgive you." (Matthew 6:14) If you do not forgive others you will not be able to enter the Kingdom of Heaven. For whatever you bind on earth with un-forgiveness will be bound in heaven. (Matthew 16:19)

YOU MUST READ THE BOOK OF ENOCH. PLEASE DO NOT OVER LOOK THIS REQUEST!

ATTENTION BROTHERS AND SISTERS IN CHRIST! Please get with your Pastors and plead with them to call a Solemn Assembly of fasting and prayer!

April 24, 2009 2:30 PM HOARFROST

This word came to me on Atlantic Ave and 23rd street in Virginia Beach, VA.

This is the word to the people of the United States of America.

“Since the people of the United States of America do not want to repent of your gross sin and wickedness, I the Lord God of heaven will send the great angel Hoarfrost to blast sub zero temperatures from the equator line north that will strike the United States of America, Europe, Russia and China.”

This is also known as the great spiritual glaciers of Babylon. As men’s hearts grow cold towards God All Mighty, a severe ice age will occur. This will probably start in the fall of 2009. This is the pale horse of pestilence working with the angel Hoarfrost.

To the sons and daughters of God almighty through His Son Christ Jesus, I John W. Johnston warn you to start preparing for severe cold winters in years to come and that you store up warm winter clothing, fire wood, and non perishable food items. The winter’s that are about to come across the United States of America are going to be severe and deadly.

If you want to know what’s happening read the Book of Deuteronomy chapter 28 and Isaiah chapter 24.

You have been warned! Get right with Jesus Christ before the night comes upon you and you can no longer work spiritually or physically.

Mr. Albert Gore you are a liar and a thief. Global warming is one of the biggest HOAXES ever perpetrated. When these sub zero temperatures start to occur to the extent that I have been shown by God, please explain to us your global warming scam. Your silver and gold will not save you during the Day of God’s wrath.

READ THE BOOK OF ENOCH!

“Hoarfrost” Book of Enoch

Book 2- The Parables

Chapter LX - 60

60.17 And the spirit of the hoarfrost is its own Angel; and the spirit of the hail, is a good Angel.

Chapter C -100

100.13 When the hoarfrost and snow, with their cold, and all the snow-winds with their torments fall on you. In those days, you will not be able to stand before them.

April 24, 2009 To the Church and the people of the United States of America.

About ten years ago God showed me that He was accelerating the time. He confirmed to me that in the month of June 2009 there will be another time acceleration and that this one will be a double time acceleration.

Time will start moving so fast that the day will overtake the night and the night will overtake the day. With this time acceleration time will pass so quickly that you will not be able to get all of your work completed. The reaper will overtake the planter and the planter will overtake the reaper. (Amos 9:13)

Men's hearts will fail them because of what is happening to the world. God is wrapping up the end of the age and He told us in His word that if the days were not shortened there would be no flesh saved. (Matthew 24: 22 And unless those days were shortened, no flesh would be saved; but for the elect's sake those days will be shortened.)

Time is almost up for the United States and the world. God's judgment is right at the door and 90% of the people of the world are not ready. Jesus said work while it is day for the night come and no man can work. (John 9:4 I must work the works of Him who sent Me while it is day; the night is coming when no one can work.)

Get ready people!

John W. Johnston

April 7th, 2009

God clearly spoke to me this day and said this:

"What I am getting ready to do I am going to do quickly and I am not going to delay any longer."

Shortly after this I was taken in the spirit and shown that double time acceleration is coming in June.

The Great Time Acceleration

I was taken in the spirit to a place in heaven where there was a sea of glass. It was like a giant mirror and standing on the west side of this sea of glass was Christ Jesus, the son of God. He pointed to me from across the sea of glass, as I was standing on the east side, and He then said to me that in the month of June there would be a "double time acceleration and that time would start to move faster than it has ever gone before".

As I looked into this sea of glass I saw time moving very fast. Right before my very eyes I saw all of creation from start to finish moving across this giant mirror. Then the Son of man

said to me that evil will start moving faster across the world and men's hearts would become increasingly wicked as another tidal wave of evil is about to come across the earth.

I was told that very soon there will be a great war that will engulf the entire world. The Lord said "Tell my people they must stand firm and not give up. Call the body of Christ to pray and fast so they will be able to stand."

To the Body of Christ you must come out this world system. You must start to help each other because if you do not help others and your brothers and sisters in Christ and deny your own selfishness you will be very sorry. Selfishness will not bode well for you on the day of God's judgment when your life's history is reviewed.

God is now sealing the foreheads of His little ones and His elect. There is much more to talk about but for now please take this word to heart.
