Visions, Dreams and Visitations from Jesus & His Messages for the People

The Lord Jesus Christ Prepares the Horses for His Return

Matthew 24:30 "And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory."

Early in the morning in April 1986, the Lord came to me and said "Come, I want to show you something." When He said this I suddenly found myself in the spirit and being taken up very quickly. I am then standing in a place that is beyond imagination. It is a place that is similar to some of the things John describes in the book of Revelation.

As I looked, I saw horses standing in 2 lines that extended beyond what the eye could see. As I saw this I started to think about what a wicked person I was and how evil I used to be before I made Jesus my Lord and Savior. I asked God, "Why do you have me here and why are you showing me this?" He said, "Because I love you and I care for you and I want to show you this because I want you to go and tell the people."

As I was observing, I saw horses that looked like the Royal Lipizzaner stallions. They were pure, undefiled and beyond imagination. They had eyes of robin's egg blue and their size was almost twice as large as the Clydesdale horses. Their lips were pure pink and their hoofs like yellow gold. The horse's teeth were like mother of pearl, white and iridescent. As I'm looking at these horses who were very awesome to look at, I am in a state of shock. I cannot believe that God is showing me this and that He would choose me to see it.

As I was taking in all the details of the horses, I saw these little men who were about 4 feet tall that were the tenders of the horses. They were finishing saddling and bridling the horses. The horses were very calm and peaceful. They had a peace about them that was beyond any earthly type of peace.

As the tenders were finishing, they had put little ladders against the stomachs of the horses. The ladders were about 4 feet tall and they climbed up on the ladder to throw the saddle on the horse. Each horse had a tender holding the bit in the side of the horse's mouth waiting for the riders to arrive.

The grass around the horses was like a pure electric-like green. The sky was an unearthly beautiful blue. The only way I can describe the colors is to say that our earthly colors are dull when compared to the vibrant Heavenly colors. The glory of God was shining through the mane and tale of the horses and it created a prism effect. A rainbow was shining on the other side of the horses.

I was still in awe and I asked God again why He was showing me this and He said to me, "Does this tell you how close my second coming is? They are almost done."

As I was observing all this I was saying to myself, "I don't believe this!" The Lord then said, "Tell the people that time is running out and running out quickly."

The 200 Million Man Army

Revelation 9:15 "So the four angels, who had been prepared for the hour and day and month and year, were released to kill a third of mankind. 16 Now the number of the army of the horsemen was two hundred million; I heard the number of them."

In the Spring of 1989 the Lord came and got me and said "John I want to show you something. I want you to see this". The next thing I know I am in the spirit and I am being taken to a giant sinkhole in the earth. God took me up to this sinkhole and I do not know where it was located. As I looked into the sinkhole I saw a set of perfectly carved steps coming up the wall of the sinkhole extending all the way from the core of the earth to the surface. As I was looking at this I saw coming up the steps and out of the center of the earth, 200 million armed warriors of Satan. As I looked and beheld these beings coming out upon the earth, I asked God "What is this?" He spoke to me and said "These are the 200 million armed warriors of Satan getting ready to come out upon the earth." I saw them in lines of four coming up the stairway. They were dressed like Roman soldiers used to dress with lace up sandals, breastplate, tunic and swords. Another thing I noticed that was unique about them was their height was only about 4 ½ to 5 feet tall. When I looked into their faces, I saw the face of aliens like the ones you've seen with the big black empty eyes and large heads. They had a gold spiked helmet on the back of their heads. The point on the helmet went up the back of their head about a foot in the air.

Then as they were beginning to step on the face of the earth, I saw tens of thousands of angels from Heaven running into the front line hitting and knocking them back down the steps. It was like seeing police lines at a rock concert pushing crowds back. When they fell backwards, somehow they got enough momentum to push forward and when they did they were able to break through the Angelic ranks and make it out onto the earth. It looked like an ant colony coming out of that hole. There was no stopping them.

As I looked at this I said, "God, what is this, what is going on?" He quickened the scriptures to me about the 200 million man army that was going to slay a third part of mankind. (Revelation 9:15-16) "And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen [were] two hundred thousand thousand: and I heard the number of them."

This vision happened during the Tienanmen Square incident in Beijing where the students held a demonstration to march for their rights. During the demonstrations which occurred from April through June of 1989 the news media interviewed the students. The amazing statement was made during their reporting on this story that China had over 200 million armed forces ready for combat. My visitation had been 2 days earlier!

It really shocked and amazed me that God showed me He is setting up all the components in the world for the great and terrible "Day of the Lord".

The Wedding Rings for the Marriage Supper of the Lamb

Revelation 19:9 "And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God."

In the spring of 2007 I was attending a praise and worship service at Revival Life Church in Virginia Beach. Immediately after the service ended I was taken into the spiritual realm and God showed me a very long table. It was as long as a football field which is 300 feet or 100 yards. The table was about 4 feet wide and the legs and the frame were made from a material unknown to me. The entire top of the table was a type of jewelry display case of deep dark royal blue velvet type material. The whole table top was covered with wedding bands and engagement rings of every sort. Some had precious stones and some did not. These rings were evenly spaced out every 1 ½ inches apart. There were hundreds of thousands of rings! I asked God what does this mean and He said, "These are the wedding rings for those who have been invited to the wedding supper of the Lamb. Each of these rings will go to those who have been invited and who have not broken their engagement to the Lord."

September 6, 2008:

I was dictating the details of this vision to my scribe, Sara when I received a prophetic word from the Lord. He said, "Many got engaged to me but they broke their covenant with me. They have broken the engagement. Many bought the fire insurance policy but they did not pay the premiums and their policies have elapsed." Read Mark 4 about the parable of the sower of seed.

This vision continues to appear to me. God has shown this to me about 6 times now. Each time there are less and less rings on the table. The last time I had the vision there seemed to be only about 15 rings left on the table. The rings are given to those who pay the price. If you are not living the crucified life and have not turned away from the fleshly things of this world you will not receive a ring and you will not be invited to the marriage supper of the Lamb. Read Matthew 25 about the foolish and wise virgins.

Military Parade in Heaven

Joel 2:11 "The LORD gives voice before His army, For His camp is very great; For strong [is the One] who executes His word. For the day of the LORD [is] great and very terrible; Who can endure it?"

September 1, 2008

I was in my welding shop and had been reading the book of Enoch. I was getting ready to go to bed when I was opened up to the spirit realm. All of a sudden I saw a part of Heaven open

up and there was a gathering of the military host of Heaven. Right before my eyes I saw Christ Jesus the son of God. He was wearing a white heavy king's robe that was made of a material that was so pure white it had a gold sheen to it. He was marching in what can only be described as a military parade in Heaven. About ten feet behind him on the left side was the Archangel Michael and on the right was the Archangel Gabriel. Jesus held a sword in his hand that was made of a metal not found on earth. I can only describe it as a silver metal polymer. Michael and Gabriel also had swords but they were at their sides in a sheath. The three of them formed a triangle as they marched. They were on a highway that looked like pure solid gold. It was so pure that it was transparent.

On the sides of this highway there was grass that was electric green in color. The grass was so full of life I felt like I could sit down and talk to it and it would speak to me.

About one hundred feet behind Jesus, Michael and Gabriel there were millions of winged angels who each stood about 14-16 feet tall. They were wearing white linen robes with swords at their sides made of the same unearthly metal. They were marching in perfect military formation. As the procession went forward about 150 feet ahead of Jesus on the left and right side of the highway were millions upon millions of war angels that did not have wings. They each stood about 6 feet tall and their hair was dark brown, almost black. They were dressed in pure white clothing similar to the dress of ancient Roman soldiers. They wore lace up sandals and breast plates made of what looked like pure bronze. They also had the same type sword at their sides.

As Jesus, Michael and Gabriel began to pass the un-winged angels on the right and left side they raised up their arms and began to shout, "Give praise, glory and honor to the Father of Lights and to the Son of the Most High God. Give praise, glory and honor!" They were shouting this over and over and over. It was deafening to the human ear and the whole Kingdom of Heaven shook at this.

I asked God what this was about and He said, "They are prepared and ready to go to war against Satan, his angels and those who follow after him."

Comment: The un-winged angels are also sent by God to protect His elect. These will be those who follow the Lamb wherever the Lamb goes. They crucify their lives on the cross to serve Christ Jesus.

Read Revelation 19: 11-21

What does all this mean and why was I shown this military parade in Heaven?

There was a partial lunar eclipse on August 16th, 2008 at 8:00 pm which blotted out half of the full moon on the horizon. I asked God what the eclipse symbolized and He said, "This is a cosmic time clock, my clock says the Lord, not mans clock. Time is very, very, very short for Satan and his kingdom and for mankind and his kingdom."

Sixteen days after that word of knowledge on September 1st, God opened up the Heavens to show me the vision of Jesus and the angelic military parade. We are now getting ready to come into the full and complete day of darkness where no man will be able to work. The great and dreadful Day of the Lord is quickly approaching.

Description of Jesus: This is something that many people are very interested in hearing about so I am putting this in a separate paragraph. The best way I can describe the physical appearance of Jesus is to say that He is a very attractive, neat and clean cut man of about 30-35 years of age and he stands about 5' 8" - 6' tall. He is a medium build in physical appearance. His hair is brownish with light brown highlights. It has a natural body wave and is not long and not short either. Remember that Jesus is now in his Heavenly body as the King of the Kingdom of Heaven and not the humble Jewish man that was here on the earth. For those of you who have a perception of Jesus as a meek pacifist who was led to the slaughter on the cross like a sacrificial lamb let me give you a dose of reality. Jesus Christ is coming back to this earth as a powerful warrior King who will rule the earth with a rod of iron. (Revelation 19: 15-16).

The Vision of Jacob's Ladder

On a Sunday morning in the fall of 2006 I woke up and went outside to drink a cup of coffee. I was sitting on a 5 gallon bucket and as I looked from downtown Norfolk to the south all of a sudden I was in the spirit realm. I saw the sky appear to part and to my utter amazement I was looking at Jacob's ladder. There were clouds and rainbows surrounding it. The appearance of it was similar to the Golden Gate Bridge in San Francisco except going vertical. One end was in Heaven and the other end was on the earth. Instead of being made of steel it was made of what looked like hand blown crystal lead glass. Even the cables were like hand blown crystal glass. The color was an indescribable icy blue that I had never seen before but it reminded me of the colors of blue found in the South Pole. It was a Heavenly blue that had the glorious radiance of God.

What I am about to tell you is amazing. I watched as Angels were doing what I can only describe as "relaying" from earth to Heaven and Heaven to earth. The Angels were relaying up and down the ladder prayers to God, answered prayers, messages and healing. They were relaying the souls of the recently departed and the souls of aborted babies up the ladder. The Angels were coming and going and coming and going. The traffic on Jacob's ladder was almost like that of the Los Angeles freeways!

At the base of the ladder on earth there were devils, demons, fallen angles and Satan's. The fallen angels had broken wings that were hanging and being drug on the ground. They had faces of animals such as jackals and cobras that matched the spirit they had become on the earth after their fall. These demonic creatures were fighting with the warring Angels from Heaven. The warring Angels ranged anywhere from 6, 8, 12-14 feet tall. They wore Roman style clothing, they had teeth and finger nails like mother of pearl. Their hair was golden blond. They had eyes the color of robin's egg blue. They were fighting with swords that were made of a type of metal not found on earth. It was like a bright liquid metal polymer. The warring Angels were helping and protecting the relaying Angels get their task completed up and down the ladder.

The demons at the base of Jacob's ladder are fighting 24 hours a day, 7 days a week to try and snatch the souls of those bound for Heaven out of the hands of the Angels. They try to snatch the aborted babies on their way to the alter of God where the babies will be healed and brought into a full grown young man or woman.

Sometimes the battle pertaining to the souls of the little children is so intense that the children are passed off from one Angel to the other in order to get their souls up to Heaven.

After watching all of this the only thing I could say to God was, "This is unbelievable!" God then spoke to me audibly and said, "Son, do you see this ladder?" I replied, "Yes Lord." He then said, "Very soon I am getting ready to pull it up and there will be no more traffic."

What I interpret this to mean is that Jesus is coming very, very soon. In Genesis 6:3 God says that He will not strive with man forever.

Genesis 28:10-12

10 And Jacob went out from Beersheba, and went toward Haran.

11 And he lighted upon a certain place, and tarried there all night, because the sun was set; and he took of the stones of that place, and put [them for] his pillows, and lay down in that place to sleep.

12 And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it.

The Book of Enoch describes the Satan's

I think the Book of Enoch should be mandatory reading for ALL Christians and anyone who wants to know the truth. This book was left out of the Old Testament by the early Catholic Church.

I saw the Angel of Revelation 10

On Mothers Day in May of 1999 I was leaving Grace Episcopal Church in Virginia Beach. I was in the parking lot when I and the others around me noticed the daylight seemed exceedingly bright. The brightness was so brilliant and intense we couldn't look up. I was finally able to look up to see what was causing the brightness and I beheld an Angel standing in the Heavens with one foot on the sea of humanity and one foot on the land. It had a rainbow for a crown. I told everyone to look up, there is an Angel there. They tried but could not look up because of the brilliance of the light. I said to them, "Look there's the Angel of Revelations 10!" They all said I was crazy and had lost my mind. Then later they told me they knew something was there, but they could not see it. That Angel appeared to me in the same way two more times during the summer of 1999.

Does this tell you how far along we are in the progression of the tribulation?

Revelation 10:

Rev 10:1 And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow [was] upon his head, and his face [was] as it were the sun, and his feet as pillars of fire:

Rev 10:2 And he had in his hand a little book open: and he set his right foot upon the sea, and [his] left [foot] on the earth,

Rev 10:3 And cried with a loud voice, as [when] a lion roareth: and when he had cried, seven thunders uttered their voices.

Rev 10:4 And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.

Rev 10:5 And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven,

Rev 10:6 And swore by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer:

Rev 10:7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

Rev 10:8 And the voice which I heard from heaven spake unto me again, and said, Go [and] take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth.

Rev 10:9 And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take [it], and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.

Rev 10:10 And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.

Rev 10:11 And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings.

Vision of Christian Martyrs for Jesus

Revelation 20:4 "And I saw thrones, and they sat upon them, and judgment was given unto them: and [I saw] the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshiped the beast, neither his image, neither had received [his] mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years."

The spirit of the Lord came and took me into one of the West Coast states. I did not know whether it was Alaska, Oregon, or Washington. I found myself in the woods hiding behind large rocks. As I looked, I saw a gigantic 120 foot fishing processor vessel with Communist troops loading Christians onto it. I knew they were Christians because they wore white linen gowns. Their hands were tied behind their backs. The troops were filling each vessel up with as many people as they could get on board. The ships left the docks and went out about 300 yards off shore. God allowed me to see what they were doing to them. I saw the troops cut the throats of the Christians, stab them in the heart and kick them overboard. This caused a feeding frenzy with the sharks. I noticed that the Christians had the Glory of God shining out of their faces and they did not seem to have a care in the world. They were not the least bit upset about what was happening. To the amazement of the troops, a majority of the Christians were singing and praising God. There was no fear or fright about them. They were actually smiling!

In my hand, I found I was holding a high-powered sniper rifle. I was going to start shooting the soldiers so the Christians could start escaping. God said, "No! You will rob them of glorifying my name and their reward of martyrdom.

The Gold Cross

Matthew 16:18 “and on this rock I will build My church, and the gates of Hades shall not prevail against it.”

Early spring 2008

One afternoon early in the spring of 2008 I was sitting alone and thinking about my work situation, or lack of work situation and feeling very depressed. The spiritual warfare of the East Coast of the United States has been so intense that it sent me into a state of depression beyond imagination. This was due to the heavy presence of prince demon Basilic who always shows up right before a major war. He showed up before World War 1 and 2 and he is now setting the stage for World War 3 and a global depression.

In my own mental state of depression I was taken into the spirit realm where the God of Heaven through the power of the Holy Spirit and His son Christ Jesus showed me what was going on in the spirit realm. I looked and beheld a giant solid gold cross that stood about 100 feet tall and was about three foot square. It was pure solid gold. The width of the arms were about one third of the height (approximately 35 feet long). As I was looking at this huge cross in amazement I then saw a giant satanic demon Colonial and behind him were Captains and Majors and Lieutenants all in military order. They had the names of every imaginable sin known to God and to man stamped on their foreheads and there were millions of them approaching the cross. As I am looking at this open vision I watched them march up to the golden cross, look at it and start to laugh as though it was the funniest thing they had ever seen.

The prince demon walks up to the cross and starts to kick it as hard as he can. The rest of the demonic military officers busted out laughing at the top of their lungs. Then they all started kicking the cross. From the leaders of the demonic army to the lesser ones, they were kicking and beating on the cross until they finally knocked it over. All of the demons were on the ground rolling around and laughing as hard as they could. As each demon was marching forward they stopped and pissed on the cross and threw up on it and drug their butts on it and spit on it.

After the last of the millions of demons got past the cross it started to shake and vibrate as it laid flat on the ground. As it was shaking it slowly started to rise up vertically. I then began to hear many high pitched sounds that were indescribable and obviously not of this earth. The sounds were coming from inside the cross and radiating outward. The cross then started to glow from gold to bright red to pure orange to a whitish orange to pure silver that looked like the liquid metal polymer I have seen so many times in my visions. The left and right arms of the cross turned into hand guards of a sword and the very top turned into the handle of a sword that was made of pure gold with every precious stone known to man in it. The blade of the sword was approximately 9-10 feet wide.

The giant sword then started to go straight up at a high rate of speed and it came up behind all of the demons and devils and principalities and rulers of darkness and started smashing and gashing and dashing them to pieces. The demons were annihilated!

I asked God what this meant and why was I shown this in an open vision like this? He said to me, “This is the scripture from Daniel when the power of the holy people has been completely shattered, all these things shall be finished.” Read Daniel 12
