**Dreams, visions and prophecy from God given to John W. Johnston**

**SEPTEMBER 2010**

**“I AM VERY GRIEVED IN MY SPIRIT FOR WHAT I AM ABOUT TO DO”**

In the fall of this year the Lord spoke to me very clearly during a time of prayer and intercession. As I was praying the waters started to move and the waters started to stir. Usually the way God speaks to me is with peals of thunder, cracks of lighting, and gale force winds. This time when I was praying and coming forth before the Lord, in His presence there was a faint crack of thunder and faint crack of lighting and no gale force winds like normal, just a small breeze. I knew something was wrong and I kept praying and kept saying, Lord God what is wrong? After time elapsed He spoke to me very clearly, “I am very grieved in My Spirit for what I am about to do.”

During this period of time which lasted about thirty minutes, I sat there knowing that God is getting ready to allow the judgments to start falling.

I spoke to the Lord God during prayer and intercession, Lord you must encourage yourself and find another way. This is one reason God raises up prophets to stand in the gap, and raises up people to stand in the gap. The Lord was very grieved in His spirit and I kept begging with Him and pleading with Him to find another way to bring humanity to repentance and to bring people to repentance and I kept praying and kept saying Lord you must find another way.

As time went on God continued to let me know how grieved He is in His spirit for what is about to come upon the earth, His full blown wrath and judgment that is going to come in His red hot anger.

Japan has basically been leveled as a nation and America is probably next.

**OCTOBER 2010  
THE GOLDEN SHIPS**

In October 2010 I had a very powerful dream late at night and I found myself standing overlooking the city of Virginia Beach. It was a regular day with clear skies. People were out and about doing their own thing and carrying on with their life. Out of the clear blue sky **golden saucers** by the tens of thousands began to appear all over Virginia Beach and other cities. I was in total amazement because these ships were coming out of nowhere. They were about thirty feet in diameter and three feet in height. They appeared to be frozen up above the whole Hampton Roads area, which is also called the Tidewater area of Virginia

Beach, Norfolk, Hampton, Newport News, and Portsmouth. They just hung for hours in the air not moving or doing anything.

People were most fascinated and were coming out to see these craft. The people were thinking these craft were going to be friendly and everything was going to be nice and pleasant. The next thing you know the craft started to open fire with a red pulse. At the blink of an eye the red pulse was hitting people and killing them by the tens of thousands. It was the most horrifying thing I have ever seen, and I asked God "What is going on?" He said "Remember *Independence Day*, the movie?" The Luciferians and Illuminati have a code of ethics that they have to reveal to the public what their next move in the world will be. The movie *Independence Day* is a warning to the people of what they are going to do **to all of humanity**.

When I saw this taking place, I noticed the ships were not firing on certain people and I asked God, "Why are the ships not firing on certain groups of people?" He said they have the seal of God on their forehead, for as it is written "*do not harm those that have the seal of God on their forehead,*" *Revelation 9:4* and "*no weapon formed against you shall prosper*". *Isaiah 54:17*

Whether this is literally a satanic invasion or an invading country coming to the United States, I do not know, but this is probably going to happen very soon. There is a prophet in Nebraska that had a similar dream and open vision of the same type of craft in the central United States. But what he saw was the alien craft telling the people to get into the ships so that they would be saved from all the destruction that is coming upon the world. These so called aliens (demons) were promising to take the people to a safe place where they would not be harmed.

What is really going on is that these are all lying signs and wonders spoken of in 2 *Thessalonians 2:9*. In reality these people are going to be taken away and slaughtered and never seen again. This is a great satanic deception so do not be deceived! God is not mocked and He will allow it!

## **OCTOBER 14-16, 2010**

### **"TODAY IS A VERY UNIQUE DAY LIKE NO OTHER DAY BEFORE"**

On the October 14, 2010 the Lord kept saying to me all day long, "Tomorrow will be a unique day like no other day before." All day long every ten minutes I would hear the Lord say, "Tomorrow will be a unique day like no other day before." He kept repeating over and over again all day and all night. I was perplexed and would ask and ask "What do you mean?" I still would not receive an answer.

On Sunday I woke up at about five o'clock in the morning and He started saying and singing "Today is a unique day like no other day before." He continued saying this throughout that Sunday that, "this is a unique day like no other day before." Over and over the same message was repeated to me. I noticed about eleven o'clock Sunday morning and for the rest of the day that the sun was extremely brilliant and everything was glowing. The brilliance

and radiance of the sun over the east coast and all over the nation was a brilliant, blinding sunlight.

On Monday morning I received several phone calls that the SDO(NASA) had discovered a mysterious round ring that had formed around the sun on the October 15<sup>th</sup>, and two large gas pockets formed on the surface of the sun. NASA stated “they had never seen anything like this before.” They didn’t know what it meant and could not give an explanation of what it could do, nor what it could cause. After that, on November 11<sup>th</sup>, the sun blasted solar flares toward the earth. There is still no further explanation of what really happened.
