**Dreams, visions and prophecy from God given to John W. Johnston**

**NOVEMBER 2010**

**VISION OF AN ASTEROID HEADING TOWARD EARTH**

In a vision in November 2010, I was taken into space where I saw a huge asteroid that is headed for the earth. This thing was red hot and aglow with fire. I was behind it and from my perspective it appeared to be about the size of the Sears building at the mall. It sure could have been much larger than that, I don't know. I saw it was hurtling toward the earth and the distance between the asteroid and the earth seemed to disappear quickly, then the vision ended.

**January and February 2011**

**GOD WILL NOT BE MOCKED ANY LONGER**

Back in July of 2009 I heard from the Lord very clearly that He was not going to delay His judgments any longer. There have been many delays and times where God has slowed down the progression of His judgments because of the prayers of the Saints. God desires that all of the wicked would come to repentance.

The warning came to me this past January and February when the Father clearly stated that He will not be mocked any longer by the church or by the non-believers. His judgments have begun. Are you ready for what is about to happen? Are you ready?

I do not believe that any person is ready for what is about to happen in the world. For these are the words that God Almighty has given me and He made it very clear that He will not be mocked any longer especially by the church of the west.

This is just one of the words He gave me during a time of prayer, "I will not be mocked any longer!" (Gal 6:7) I encourage you to work while it is day for night comes very soon.

**MAY 19, 2011**

**IN YOUR FACE WITH THE MOON**

About a year and a half ago around the end of 2009 and continuing all throughout the year 2010 I noticed that the moon was rising up and setting in a different orbit around the earth. It seemed that I was the only one around me to recognize that the moon is not rising or setting in its proper place. This coincides with the scriptures; "*there shall be signs in the sun, in the moon and in the stars.*" (Luke 21:25), "*I will show wonders in heaven above.*" (Acts: 2:19) and "*Yet once more I shake\* not only the earth, but also heaven.*" (Hebrews 12:26) ... this has begun.

These are all the signs and the wonders that the Great Warrior King (Rev 19:11-16), Christ Jesus, the son of God said would occur. These signs support what the Jesus said 2000 years ago as TRUTH, for it is not in God's nature to lie. Take heed, for the nations who have forgotten Him and have rejected Him and exchanged the truth for a lie, are now starting to fall under the right finger of God's judgment! Very soon the moon is going to swing so close toward the earth that you will not be able to see the heavens behind it. It will appear that the moon is on a collision course with the earth. Men's hearts will fail them because of what is coming upon the earth. (Luke 21:26)

Take heed and ask yourself, "Where do I stand with the Great Warrior King Jesus?" For on that final Day of Judgment this will be determined. You were either for Him or you were against Him. Your deeds and actions will be weighed to determine where you will spend eternity, either with Him or without Him.

Many a people bought the fire insurance policy, but didn't pay the premiums; therefore, their policies have elapsed. Have you kept your premiums paid up?

## **MAY 22, 2011 YET ANOTHER TIME ACCELERATION**

On Sunday morning May 22<sup>nd</sup>, the Holy Spirit said to me, "There will be yet another time acceleration. Time will start moving even faster than ever before. So I encourage you to get your lives right with Christ Jesus before time runs out and the door is shut."

Remember the Apostle Paul said; ***"How shall we escape if we neglect so great of a salvation?" (Heb 2:3) "For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins, but a certain fearful expectation of judgment, and fiery indignation which will devour the adversaries."*(Heb 10:26-27)**

You must repent while its day for the night comes when no man can work, spiritually or physically. We **are** heading into the full and completed day of darkness where no man can work.

I encourage you to please fall on your face and repent and make Jesus Christ your Lord and Savior because the "ark" door will be closed very soon. When it is closed no matter how much you yell and scream or beg and plead, God will say; "you had your time". "You were given ample opportunity in your life to repent and accept me as your Lord and Savior and you rejected so great a salvation." When this hour comes and you have neglected so great a salvation you will have nothing to look forward to but a fearful looking day of God's wrath and judgment. I encourage you to PLEASE repent now and make sure Jesus Christ is your Lord and Savior.
