Dreams, visions and prophecy from God given to John W. Johnston

THE GOAT FARMERS OF THE WEST AND OF THE UNITED STATES

Over the last several months the Holy Spirit kept quickening me to write about the ***goat farmers of the west***. I was clueless about what a goat farmer is, and the Holy Spirit said, "I will help you". Here is what I was shown.

Let the message begin!

I was transported into a giant church parking lot and I stood there looking around and I saw hundreds of cars. My attention was drawn to the Great Warrior King Jesus, who said "Look and behold!" I looked and I noticed that all the cars were brand new and there was not a ragged car in the whole parking lot.

I noticed there were crowds of people going into this mega church. I saw that all the women were dressed in the finest apparel with the finest jewelry and expensive hand bags and the smell of fine perfume. As we walked towards the entrance of the church I noticed all the men were wearing expensive suits and they were reeking of the finest colognes. I noticed on the outside they all looked clean, trim and proper and without a care in the world.

As we approached the front door of this huge mega church I also noticed there were gallows blocks as far as the eyes could see. There I saw sheep hanging two feet off the ground strung up by their hind quarters. They had bibles tucked under their front legs. They looked like they were paralyzed and could not move. They were strung up as though they were outcasts and were about to be slaughtered.

I found it a very strange and bizarre sight to behold. Image walking into a mega church and seeing sheep hanging on gallows blocks two feet off the ground! As the people went into the church and got seated, the auditorium filled up. Then, the Great Warrior King Jesus said to me, "Look and behold, and pay strict attention to what you are about to see." Most of the things He was showing me and telling me I have known for many years, but brother what I saw in this vision was unbelievable!

This goes with the writings in the Book of Ezekiel.

I sat down in a front row seat and the Pastor came up and called the congregation to order. They began the worship with a rock and roll band that was a big entertainment type band. This band was to entertain the hundreds of people who had come into the church. The Holy Spirit said "Look and pay close attention to what I am about to show

you.” As I looked at this rock and roll band and the so called choir and the worshipers, I noticed that there was a giant golden calf on the stage.

I said “Father I know that the golden calf was worshiped in Egypt. And I know that the Hebrews built a golden calf while they were waiting for Moses to come down with the Ten Commandments because they had grown impatient and decided to build their own god that they could see, touch and worship.” And He said to me “this is all entertainment and spectacle.” He said “They do not care about me or my teachings, it is all entertainment.” He said “Ninety-nine percent of the worshiping that you see with this rock and roll band and with the golden calf is sin in my eyes!”

I continued to listen and pay attention to what was going on around me. After they hyped the people up with their worship, I noticed that not one song pertained to the cleansing blood of Christ Jesus for the remission of sin and for healing and deliverance. The worship was for entertainment and they deleted every song that pertained to the cleansing blood of Jesus Christ. The reason is because they are in gross sin and the thought of the blood of Jesus makes them cringe. Without hearing of the blood of Jesus they would not be made to think of their sin.

Then the Father said “These are nothing but dead symbols, they do not impress me at all.”

I continued to look on as God the Father let me see other things. The Pastor got up and read a few announcements and told how sweet everything is and how well everything is going. He spoke about the building funds and all that the church was doing.

Then immediately in the spirit realm all the people in the church, except for a few, took on the appearance of goats. I looked up at the Pastor and the strangest thing took place right before my eyes. I saw him transform into a goat! What amazed me was he had the legs of a goat, the chest of a man, and the arms of a man, but his head looked like the head of a goat with huge horns. It blew my mind! I stared at this in amazement and asked the Father “Lord, what is this?” He said, “This is a goat farmer. I will tell you more about him later.”

As I turned around and looked at all the people in the church, except for a few, I noticed I was surrounded by goats. The people’s heads were that of a goat! I was amazed and said “How is this?” He said “Let me explain something to you. The goat farmers never preach on gross sin or wickedness. They never preach or talk about eternal damnation. They preach prosperity gospel and never talk about going into the Garden of Gethsemane to be tested and broken. Most of what you see right now is a bunch of rebellious asses.” I said “Lord, why am I here, for I already know this has been going on?” He said “I want to show you first hand.”

As I looked through the congregation they were all clapping and cheering. They were all very wealthy and were making some kind of confession of Jesus, but deep down inside they did not know Him, did not know the gifts of the Holy Spirit nor did they move in the

gifts. They knew nothing of the Holy Spirit. Some prayed for their conscious' sake, but for the most part they wanted their cake and to eat it too; they wanted prosperity. They wanted and loved the things of the world. The goat farmer never taught them nor trained them that if they wanted to be a disciple and wanted to follow after Jesus they would have to crucify their flesh. It is their flesh that gets them in trouble. The flesh leads them astray; the flesh causes them to fall away. This is what Satan prays upon, **the flesh**.

The goat farmer pastor told the people/goats that God was going to bless everybody and told them to make sure they give their weekly tithe. He said to give ten percent of their weekly income and God would bless them ten fold.

What amazed me was that the goat farmers are riding around in 60 and 70 thousand dollar cars, living in \$700,000 to one million dollar homes, plus all the perks and per diems that go with it. I was amazed at everything I was seeing!

The Father wanted me to watch the next part of it. I looked and beheld the prophets of the church, and they were prophesying about the great by and by and how great everything was and how God was going to bless them, and how God was going to take care of them and do all these great things, and that they were all going to have great wealth and prosperity.

I was reminded of what Jesus says in scripture, "Woe to you when all men speak well of you, For so did their fathers to the false prophets." (Luke 6:26)

These are the same **goat false prophets** who prophesy the delusions of their minds, never warning or prophesying to the people to repent of their sins or to repent of ancestral and generational sins. They NEVER tell the people to humble themselves and kneel and fall on their face before God All Mighty and be delivered and set free. This is never taught in the church.

The goat farmer Pastor then gave a lukewarm, watered down message to the congregation. In my opinion he blew smoke up their butts and made them feel good! He never mentioned repentance of gross sin, sexual morality, witchcraft, sorcery, idolatry, pride, hatred, bitterness, envy, strife, lust, fornication, adultery. Year after year the goat farmer never once talked about these things. The goat farmer never talks about dividing the year up into four quarters. Three months of teaching of the gifts of the Holy Spirit, three months of teaching of exorcism, demons and spiritual warfare, and three months on evangelism, three months on the holiness and the reverence of God. It is a free for all in the churches today! Everybody in this church did what seemed right in their own eyes and God's red hot anger burned at them, but they were too far gone to realize they had been turned over to a reprobate mind.

Scripture says in 2 Th 2:11 "God will send them strong delusion, that they should believe the lie." Scripture also says in Isa 66:4 "So will I choose their delusions, And bring their fears on them; Because, when I called, no one answered, When I spoke they

did not hear; But they did evil before My eyes, And chose that in which I do not delight."

God is now sending a lie and they believe it. It is not the devil; it is God sending it because they have no love of the truth.

The prophet Ezekiel speaks of why God really destroyed Sodom and Gomorrah. Yes God destroyed Sodom and Gomorrah because they were living in sin but Sodom's prosperity had caused them to grow prideful and neglect the poor and needy. They would do nothing but feed their own flesh, and because of this God destroyed them.

Behold, this was the guilt of your sister Sodom: she and her daughters had pride, excess of food, and prosperous ease, but did not aid the poor and needy. (Ezekiel 16:49)

Most goat church people don't understand this. We must help the elderly; help the poor, the down and out and the outcasts. God has once again been provoked into red hot anger. In the days to come, Russian T-9 tanks are going to level every church in the United States and this will be God's justice because the church of the west has become so satanically and demonically corrupt that God's red hot anger is burning at them and they are too stupid to realize it.

After this I went outside and there I saw the sheep hanging on the gallows blocks. I approached the sheep and started talking to them and I asked "Why have you been strung up by your hind quarters?" "Why are you hanging upside down here?" One sheep said, "I tried to warn the Pastor that the Satanists infiltrated the church and have set up shop here. I was told it was a bunch of nonsense and he told me not to talk such foolishness again and to get out and don't come back to this church speaking that type of nonsense."

I talked to another sheep and he said, "I tried to warn the congregation to repent of their sins and humble themselves and bow down like a bent reed and repent of their idolatries and witchcraft. I was thrown out and told to shut up and that I was a heretic".

I spoke to another sheep that is a prophet and asked "Why are you strung up here?" He said, "Because I kept telling the pastor that the full and complete day of darkness is coming upon the world. I told the pastor that he needed to call the whole congregation to repentance and to be broken and contrite before the Lord because the great day of darkness is coming upon the earth. He told me to shut up that they didn't want any doomsday prophets in their church."

I went down the line talking to the strung up sheep and heard the horror stories of how they were abused and kicked out and how some of the sheep asked for humanitarian aid and groceries. The shepherds, these goat farmers, said "We don't have enough money so we can't help you." Yet it is amazing that they can drive around in a 60,000 dollar car and live in a million dollar home with all the perks and per diems and couldn't take \$150 to \$200 out of his pocket to give to one of his congregational member's so

they could get some groceries.

God's red hot anger is burning at these shepherd's and the leaders of HIS flock. Little do they realize that the scripture will soon be fulfilled, for on that day God will separate the sheep from the goats. (Mat 25:32-33)

There are many true little sheep and many have done everything in their power with the Holy Spirit to warn the goats not to go the way they are going. But the goats refuse to listen so these sheep have become outcasts.

I encourage you to remember what is written in the Book of Revelation chapter 18:4, come out of her my people and do not participate in her sin.

If you have become an outcast in your church because you have tried to warn of gross sin and are doing the Word of God the Father; or because you don't have the fine apparel or a bunch of money and a nice car and a nice home, be encouraged! Your reward is going to be great! I encourage you sheep to keep on doing that which Jesus has told you to do; feed the poor, help the homeless, be a friend to the friendless, love the unlovable, and seek God's face night and day, and be found having faith when He returns. You have the greatest gift, the power of the Holy Spirit!

God Bless You!
John W. Johnston
